## Green Island Must Dos!

- 1. Snorkel!** Grab your snorkel gear from the Dive Shop and get ready to explore from the patrolled beach - as a major turtle habitat, you just might meet one of the friendly locals! Or join a boat snorkel trip and snorkel some beautiful sites just a few minutes offshore.
- 2. Glass Bottom Boat Tour!** Take a glass bottom boat tour to see corals and colourful marinelife and learn about the reef with interesting commentary. Did you know the world's first glass bottom boat was pioneered on Green Island in 1937?
- 3. Relax!** Relax on the soft white sandy beaches and take a leisurely dip in the calm waters off the beach patrolled by Aussie lifeguards!
- 4. Eat!** Enjoy a delicious lunch or snacks at the island's restaurant and food options... and don't forget to sip on a refreshing drink at the pool bar.
- 5. Island Discovery!** As a National Park, discover Green Island's unique flora and birdlife at your own pace with a self-guided walk. See the crew at the Information Counter for your booklet or follow the boardwalk interpretive signs. See changing terrain from the lush rainforest to secluded beaches and beach rock. Did you know Green Island is the only coral cay on the Great Barrier Reef with a rainforest?!

Along the rainforest boardwalk, the Interpretive displays offer an insight into Green Island's history and culture

## ADVICE FOR WATER ACTIVITIES

The minimum age for scuba diving and Seawalker is 12 years, however some people may require a doctor's certificate. Certain medical conditions, medications and height restrictions may preclude some people from participating in optional in-water activities. For advice, contact our office.

After a single dive a wait of 12 hours is recommended before ascending to an altitude of 300 metres or greater. If doing multiple dives an interval of 24 hours is suggested. **Snorkelling can be a strenuous activity.** Please use caution and inform our crew of any medical conditions. Always swim between the flags on the patrolled beach.

# Wunyami Cultural Tour

As part of a small group, discover the island through the eyes of your indigenous guide. Wunyami (Green Island's traditional name) is connected to an ancient journey of two ancestral story-time beings, who fought and formed the island and who still protect it today. This story is shared by the GuruGulu Gungganji people (Yarrabah) and the Gimuy Yidinji people (Cairns). Learn about cultural ceremonies and connection to the ancient seascape. Guides have special permission from their elders to share these stories with all who come on the tour.

Adult \$41 | Child \$21

Book with Great Adventures or visit the Black Seahorse shop on Green Island.

## Green Island Pioneers

When you cruise with Great Adventures, you are travelling with the pioneers of Green Island tourism. Growing from a small family operation with the pioneering Hayles Family, the first regular Green Island ferry service began in 1924!

As a high standard operator with the highest level of ecotourism certification and climate action accreditation, Great Adventures and the Green Island Eco Resort own the island's major infrastructure and work with the Queensland Parks and Wildlife Service for maintenance and environmental management of the island.

We are committed to sustainability and now generate one-quarter of the island's energy needs by solar power. That's pretty impressive for an island covered with a rainforest!
