

Silversonic & Poseidon Dive & Snorkel Agincourt Reef

Silversonic and **Poseidon** are both perfect for small groups of adventure-minded people and are designed for confident snorkellers and divers wishing to maximise their time in the water.

There are more similarities than differences between these two premium vessels but here's a snapshot of some key points to help differentiate which may be preferred by your customers.

Silversonic

- Submerged hydraulic platform to cater for snorkellers and introductory divers with all levels of ability.
- Visits snorkel friendly sites.
- Hot fresh water showers and change rooms.
- Hot and cold buffet lunch including fresh prawns.
- State-of-the-art ride control system ensuring a smooth journey.
- Forward and aft sundecks.
- Free Wi-Fi onboard.
- 29 metres and 90 Passengers.

Poseidon

- Separate dive tender (subject to conditions) assists with drift and wall diving and guided adventure snorkelling. Poseidon is well suited for experienced divers and snorkellers.
- Access to unique dive sites. (CHAROA moorings & Escape Reef)
- Increased availability for pre-booked Certified Diving.
- Marine biologist crew conduct a separate marine interpretive talk and guided snorkel tour.
- Up to 3 Introductory Dives.
- 24 metres and 85 Passengers.

Silversonic & Poseidon both include:

- 3 sites at Agincourt ribbon reefs - Outer Great Barrier Reef.
- 5 hours to enjoy in-water activities.
- Guided snorkel tours.
- Up to 3 certified dives.
- Lifeguard supervision with snorkel and dive briefings at each site.
- Air conditioned lounge & licensed bar.
- All dive and snorkelling equipment provided including lycra suits.
- Local shuttle bus pick-up.
- Unique Minke Whale permits and Advanced Ecotourism Certification.
