GREEN ISLAND

GREAT BARRIER REEF AUSTRALIA

Walk on the Sea floor!

Seawalker®

GREEN ISLAND

YOU'RE JUST A FEW STEPS AWAY FROM AN AMAZING UNDERWATER ADVENTURE!

Just 27 km from Cairns is Green Island, a beautiful 6000 year old coral cay in the World Heritage listed **Great Barrier Reef** and home of our exciting, unique underwater walking experience **Seawalker Green Island!**

The Seawalker "helmet dive" tour is a **natural experience** on Australia's Great Barrier Reef. **It's unique** in that you walk on the seafloor surrounded by **colourful tropical fish and coral**. It's a fun and engaging adventure you can share with your family and friends.

- It's fun and easy. Seawalker is ideal for non-swimmers and no experience is necessary.
- It's safe and professional. Your whole underwater experience is fully supervised by our professional team of qualified instructors.
- Seawalker's specially designed helmet will keep your head and hair dry while you walk along the sea floor. You can even wear glasses!
- Action-packed! Your Seawalker experience will take 60 minutes and includes a safety briefing and preparation, transfer from the beach by tender boat to our platform just minutes off the shores of Green Island, Seawalker tour and debriefing.
- Truly "Seawalk" at eye level amongst corals and tropical fish on the sea floor at our specially selected reef site.

Q Are all seasons suitable for Seawalker?

A The warm waters of Tropical North Queensland make for year round comfort for water activities. In cooler months however, the complimentary wet suits will keep your body warm.

Q Is there a minimum or maximum age limit to do Seawalker?

A The minimum age is 12 years old, but there is no upper age limit providing you pass the medical questionnaire.

Q How deep will we go?

A Your instructor will guide you down to around 5 metres deep, an ideal and comfortable depth to experience the reef in a stress free environment.

Q Will the water pressure make me uncomfortable?

A You will descend down the ladder slowly, so it's easy to equalize the pressure.

Q Can I take my camera or GoPro underwater?

A No. Due to safety procedures you will be unable to take a camera underwater with you however a professional photographer will take your photos and these will be available to purchase.

Q What if the weather is rainy or cloudy?

A You will be walking alongside the coral and fish underneath our platform. Even during poor weather, you will still be able to have a great viewing experience close to the reef and marine life.
